
CAMPUS RESOURCES QUICK GUIDE

This booklet was designed by the graduate school staff to highlight critical campus resources to support your success. As such, it is not a comprehensive list of all university resources, and we recommend spending time navigating the university website to familiarize yourself. Please do not hesitate to contact staff of the graduate school if you require assistance that is not listed here.

WELCOME TO LOYOLA UNIVERSITY CHICAGO!

THE GRADUATE SCHOOL

Virtual appointments can be scheduled on our website. Any in-office meetings must be scheduled in advance. Please visit the website and click on the scheduling link to the left side of our Home page.

CURA NETWORK

As a centralized website for reporting student concerns, the CURA Network, led by the Office of the Dean of Students (DOS), provides support, coordination, case management, and resource referrals for student concerns across the university. To report a student concern, select the corresponding section to learn more and to submit a referral.
